2027 Alarm Registration in Tecumseh

Does your home or business in Town have a security or fire alarm system? Register your alarm system to prevent costly charges when false alarms happen.

Get early bird pricing starting Jan 1, 2027
Early bird fee is $35. Regular fee is $45 if you register after Jan 31, 2027. Two (2) "at fault false alarms" per year without charge. Valid until December 31. Must be renewed annually.

Unregistered Premises
$375 per call for Police services. Fees for Fire services are based on hourly Ministry of Transportation response rates per apparatus (minimum 1 hour).

Register online at **tecumseh.ca/alarms**
or call Town Hall at **519-735-2184 ext. 124**.

2027 Business Plan & Budget

Each year, the Town develops a plan for how municipal funds will be spent in the upcoming year, based on the strategic priorities established by Town Council. The budget supports a wide range of municipal services and investments, including roads, facilities, programs, and services. The Town has now begun preparing the 2027 Proposed Business Plan & Budget, marking the first step in the annual budget process. The Mayor's Budget is expected to be presented in Jan 2027, followed by Council's review and consideration. The budget is anticipated to be adopted by early March 2027. Beginning in January, residents can visit Engage Tecumseh to learn more about the budget and share their comments at **engagetecumseh.ca/2027-budget**

New Campaign Spotlights Vibrant Business District Between Tecumseh and Lakeshore

New vibrant road banners in the Manning Road/ Amy Croft commercial district showcase the area's identity: "Where Everything Comes Together." These eye-catching banners showcase the unique identity, character, and experiences within the corridor shared by Tecumseh and Lakeshore. More Banners will be coming soon to the commerical districts of Lesperance North, Lesperance South and Tecumseh Mainstreet.

St. Clair Beach Community Wellness & Safety Improvement Project

Enhancements to the interior and exterior of the St. Clair Beach Community Centre are underway! Planned improvements will ensure the centre meets the diverse needs of the community by expanding program options, improving accessibility, and enhancing the overall appeal. Additionally, as a result of a Town-wide review and analysis of school safety zones that was completed in 2025, a number of new upgrades along St. Gregory's Road between Manning Road and Arlington Boulevard are currently underway that will improve safety for children and parents accessing the surrounding schools, as well as residents accessing the centre and Optimist Park. Learn more on Engage Tecumseh at **engagetecumseh.ca/scb-project**

Federal Government Invests in Active Transportation in Tecumseh

In July, the Honourable Gregor Robertson, Federal Minister of Housing and Infrastructure took a ride down the Tecumseh stretch of the Trans Canada Trail and announced the Government of Canada is investing $1.3 million through the Active Transportation Fund to complete the final extensions and restorations of the multi-use pathway along the trail. This extension and installation of new safety features along Riverside Drive and Brighton Road will create a safe and accessible 5.3km multi-use pathway for residents and connect Tecumseh with Lakeshore and Windsor.

New Amenities Coming to Southfield Park

Southfield Park is under construction! Here's what's coming in 2027: a new splashpad, new playground equipment, new washroom facility, and a trail around the perimeter of the park. **What about the trees?** Some existing trees were removed to make space for the new park amenities. Trees are vital assets that provide valuable oxygen, shade, and habitats for local wildlife. Once the project is completed, new trees can be planted, and the good news is there will be approximately three times as many trees in Southfield Park once the project is complete. Learn more on Engage Tecumseh at **engagetecumseh.ca/southfield**

Know Before You Go: E-bikes and E-scooters

The Town and OPP are bringing awareness to riders about the rules of E-bikes and E-scooters in Tecumseh.

- Riders must be 16 years or older to ride an E-bike or E-scooter in Ontario
- E-bike riders must wear an approved bicycle or motorcycle helmet. E-scooter riders must wear an approved bicycle or motorcycle helmet if they are under 18 years old
- E-bikes and E-scooters are not allowed in Town parks. This also includes electric dirtbikes, minibikes, power-assisted bicycles, or similar vehicle driven by battery/electrical engine

Observe unsafe or concerning behaviour? Contact OPP at 1-888-310-1122 or call 911 in an emergency. To remain anonymous, contact Crime Stoppers at 1-800-222-8477 (TIPS) or submit a tip online. See the full OPP public notice at **tecumseh.ca/e-bikes**

Tecumseh Thanks 2026 Summer Students!

Sign up today to get alerts at **tecumsehalert.ca or 519-735-6381**

A message from the Essex County OPP

The Essex County OPP remains committed to protecting roadways from alcohol impaired drivers. Do your part-never drive after drinking and step in if someone else is about to get behind the wheel while impaired. If you plan to drink alcohol, ensure you have options that take driving out of the picture altogether.
