EXTERNAL POSTING
Heavy Equipment Operator – Seasonal
2026/27 Winter Snow Clearing

The Town of Torbay is currently searching for a qualified Heavy Equipment Operator to work in its Infrastructure and Public Works Department. This is a seasonal unionized position for the purposes of snow clearing operations. This position will be scheduled for a minimum of 40 hours per week during the winter season as determined by the Town of Torbay.

Duties include but are not limited to:

- The operation of heavy equipment for snow clearing operations.
- The performing of light maintenance work on the Town's equipment.
- Performing a variety of tasks associated with the maintenance and repairs of the Town's roads.
- All other duties as assigned by the Supervisor of Infrastructure and Public Works, Director of Infrastructure and Public Works or the Chief Administrative Officer.

Qualifications:

- High school diploma (or equivalent).
- Completion of a provincially registered apprentice heavy equipment operator training program.
- Previous experience as a heavy equipment operator would be considered an asset.
- Class 03 driver's license with class 05, 08, and 09/09A endorsements.
- Valid Training Certificates in Power Line Hazards, Trenching & Excavation, TCP Level 1 and WHMIS.
- Criminal Records Screening Certificate issued by the Royal Newfoundland Constabulary.

Rate of Pay: As per the collective agreement.

Application Process:
Interested applicants are required to submit a copy of their resume, heavy equipment operator diploma, driver's license, driver's abstract, criminal records screening certificate and the applicable training course certificates as outlined above to **careers@torbay.ca**

The Town of Torbay wishes to thank all interested applicants. Only those selected for an interview will be contacted.
