A Message from your Emergency

Coordinator team

The Emergency Management Team is working with the Morris Hospital and planning a tabletop exercise for this fall centered on the concept of having to do a full evacuation of the hospital. From this, we will revise the plan and then conduct a practical exercise in the Spring of 2027 where we will conduct actual evacuation of patients from the hospital. Of course, the patients will not be real patients, but “actors”. If you wish to be apart of either of these exercises, please let us know at townofmorrisoc@gmail.com. The exact date for the fall exercise is still TBA.

Morris RCMP

Vehicle Theft Prevention – Avoid These Practices:

1. Leaving any property in your vehicle.
2. Leaving your car running with the keys inside.
3. Keeping your garage door opener in your vehicle along with any identifying information.

Security Measures to protect your vehicle:

1. Secure your licence plates with bolts.
2. Lock your car when you leave it.
