

Project SEARCH Program

September 2026

Project SEARCH is a unique school-to-work training program for students with intellectual disabilities in Thames Valley, DSB. Students are immersed at a host business, St Joseph's Health Care London's Parkwood Institute, and get more than 700 hours of hands-on work experience geared to in-demand roles in the local labor market. They learn employability skills and plan their careers with guidance from a teacher and work skills trainers. March of Dimes Canada also helps support the interns throughout the program and supports the employers once students are hired. Students that qualify for Developmental Services Ontario (DSO) can apply for this one-year program.

What does the year look like?

(Follows the School Calendar)

Need more information?

Plan to attend the information session on Thursday, November 26th, 2026 at the TVDSB Education Center (cafeteria) at 1250 Dundas Steet from 6:00 – 7:00 PM.
