Be Bold About Being Kind...

Kindness Starts Here

Making everyone feel like they belong in our community is important. When we use kind words and help each other, our community becomes a better place. Showing care and kindness can stop bullying and make sure everyone feels safe and happy.

How can you help your child 'Be Bold about Being Kind'?

Help them learn to:

- Name feelings
- Care about how others feel
- Talk and listen well
- Work together
- Solve problems when there is a disagreement

These skills grow from your connection with your child...Learn more at SMHO.

The relation of primary teeth and mental health conditions: Leveraging Tooth Fairy

We are exploring how mental health and oral health affect each other, and whether children with/without mental or developmental conditions show differences in primary tooth mineralization.

All parents living in Canada are eligible to participate if their child is:

- 1.aged 5-17 years old, and**
 - 2.with a fallen-out or removed baby tooth that they want to send us**
- a) **Parents can send a baby tooth that has already fallen out or been removed to our site or mailing it (We'll reimburse regular mailing costs)**
 - b) **followed by completing an online survey.**

Participants will be given a gift card.

MESSAGE FROM THE OFFICE

If you wish to pick your child(ren) up before the end of the day, please call the office when you are on your way. This way we can make sure they are ready when you arrive as we do ask that you wait outside and also to ensure they miss as little class time as possible.
