**DELAWARE CENTRAL PUBLIC SCHOOL**

**School Council Annual Report**

**Reporting Year: 2025–2026**

**Principal:** Christina Breen

---

**1. Meetings of the School Council**

During the 2025–2026 school year, School Council held 5 meetings.

Generally, School Council met on the last Tuesday of every other month.

---

**2. Goals of the School Council: Supporting Student Achievement**

The primary goal of School Council for the 2025–2026 school year was to raise funds toward the development of a brand-new playground at Delaware Central Public School.

The goal was to support the creation of a fun, safe, and inclusive outdoor space that would encourage physical activity, play, social development, and overall student well-being.

School Council worked to engage students, families, staff, local businesses, and the wider community in supporting this important project.

---

**3. Activities of the School Council: Supporting Student Achievement**

Throughout the school year, School Council supported a variety of initiatives to enrich students' school experiences and contribute to a positive school community.

Activities and initiatives supported by School Council included:

- School-wide Pancake Breakfast
- Classroom supplies
- Bunny Hops Wellness event (Pro Grant)
- School bus fees for field trips
- Food Truck Festival activities
- Track and Field BBQ

These initiatives helped provide enriching experiences for students, support classroom learning, and foster a positive and connected school community.

---

**4. Achievements of the School Council: Supporting Student Achievement and Parent Involvement**

School Council's most significant achievement was raising over $30,000 in less than one year toward a brand-new playground for Delaware Central Public School.

This milestone was made possible through the generosity and dedication of students, families, staff, local business sponsors, and the wider community.

The playground project represents a significant investment in the school's future. The new playground will provide students with a fun, safe, and inclusive outdoor space that supports physical activity, play, and social development for years to come. Installation was scheduled for September 2026.

School Council also encouraged parent and community involvement through fundraising initiatives, school events, and opportunities for families and local businesses to contribute to a shared goal that directly benefits students.

---

**5. Fundraising**

School Council organized and supported several fundraising initiatives throughout the 2025–2026 school year, including:

- Domino's Pizza Days
- Subway Days
- Carmichael Meats
- FlipGive
- Festive Farms Holiday Planters
- Pie Place Thanksgiving Pies
- Rheo Thompson Chocolates

Funds raised supported school activities, classroom resources, student events, field trip transportation, and the new playground project.

School Council's fundraising efforts helped enrich students' educational experiences and provide additional opportunities and resources for the school community.

The highlight of the year was raising over $30,000 in less than one year toward a new school playground, demonstrating the generosity and commitment of our school community.
