ACHIEVEMENT of the School Council: Supporting student achievement

Please list the achievements of the School Council including Parent Involvement Strategies:

Parent Council has successfully organized and supported several events and initiatives that encourage parent involvement, strengthen school spirit, and build connections within our school community. These events include "Have Your Feet, Get a Sweet Treat" event, a Pre-Loved Book Sale, and a Family Movie night. These events were designed to bring students, families & staff together.

We also extended our efforts beyond school activities by organizing an Internet Safety Presentation, providing families and community members with valuable information and resources to help keep children safe.

FUNDRAISING

Every School Council, whether or not there has been fundraising, must submit a financial report to the Thames Valley District School Board Finance Department by September 30th each year.

Our School Council:

- ○ Does not fundraise
- ● Fundraises (if yes, this should be a Sub-Committee of School Council)

If the School Council is fundraising, please indicate how the funds were spent this year (items purchased, donations, etc.).

Money that was raised went towards school initiatives, specifically for items requested by teachers to best support their classrooms, for instance supplies. Money was used to enhance the primary yard, as well as bussing for students.
