COMMUNITY PLANNING & FACILITY COLLABORATION OPPORTUNITIES MEETING

County of Oxford
April 29, 2026
1 p.m. – 3 p.m.

Welcome

The objective of this meeting is to:

Provide an opportunity for TVDSB and community organizations to share information and assist with

- Managing excess space,
- Projecting future needs, and
- Identifying opportunities for facility collaborations.

Community Planning and Facility Collaboration meetings are intended to help ensure TVDSB's long-term accommodation planning is well informed, well coordinated, transparent, sustainable, and supportive of student achievement.

Agenda

- Director's Updates
- Capital Projects
- Student Accommodation Planning
- Oxford County Presentation
- Discussion

Thames Valley
District School Board

Successes, Challenges & Opportunities

Successes

- 11 ongoing major capital projects
- Graduation rates rising
- Unique course offerings
- Prioritizing mental health for students

Challenges

- Declining enrolment
- Deficit situation
- Rapid growth in some areas = need for new schools

Opportunities

- Working with Supervisor to address deficit
- Ministry of Education collaboration opportunities
- Continue working with municipal partners
- Constant effort to support students

EQAO results

- Extra time and resources toward improving reading, writing and math
- Students making steady gains, particularly in math
- Results improving for grade 3, 6 and 9 students
- Still plenty of work to do

Major Capital Projects Update

Thames Valley
District School Board

Recently Completed

Thames Valley
District School Board

An aerial photograph showing the new Turtle Island Public School and Child Care Centre. The building is a modern, single-story structure with a grey roof and large windows, featuring prominent yellow-orange vertical panels. It is situated in a residential neighborhood with many houses. To the right of the building is a large, cleared dirt area where construction equipment, including excavators and trucks, is visible. In the background, there are green fields and more trees.
