MEETINGS of the School Council: Supporting student achievement

During the school year, our School Council held 6 (number) meetings.

Generally, the School Council met on the First (first, second, etc.) Monday (day) of every other (every, every other) month.

GOALS of the School Council: Supporting student achievement

School Councils are required to set goals annually. List the School Council goals for the past year, specific to supporting Student Achievement:

Increase number of school council participants.

Contribute a strong parental presence to the Grade 8 Info Night, enabling a connection between prospective parents and experience and insights.

Explore the parameters of fundraising or other forms of school donations.

ACTIVITIES of the School Council: Supporting student achievement

Briefly describe the activities your School Council undertook this school year. This includes any activity or event that was hosted or was participated in that was not a regular meeting. This does not include fundraising activities.

School Council representatives took part in volunteering for Grade 8 Information Night. We provided stories and experiences, and answered questions from parents and children who were considering Beal for secondary school.

We drafted and published a parent survey for existing Beal parents to better understand what would motivate others to join School Council.

We created fridge magnets that provide information about School Council along with dates of future meetings to parents on Grade 9 Info Day.

Delivered School Council address at Grade 12 commencement.

ACHIEVEMENT of the School Council: Supporting student achievement

Please list the achievements of the School Council including Parent Involvement Strategies:

The Grade 8 Information Night was successful. Parents were able to hear from existing school parents to help ease the nervousness and uncertainty of starting Grade 9 at Beal. We had some great feedback; the parent to parent connection was valuable as lent voices of experience outside of teachers and staff.

The Fridge magnets were a success, as they serve as convenient reminders for school council meetings and purpose.

FUNDRAISING

Every School Council, whether or not there has been fundraising, must submit a financial report to the Thames Valley District School Board Finance Department by September 30th each year.

Our School Council:

- ☒ Does not fundraise
- ☐ Fundraises (if yes, this should be a Sub-Committee of School Council)

If the School Council is fundraising, please indicate how the funds were spent this year (items purchased, donations, etc.).
