5. **Student Report** (5 min)

- a. Due to elections, students were not invited to participate at this meeting

6. **Principals Report** (10min)

Stoneybrook P.S. School Council

Meeting Agenda

- SIEP (Student Improvement & Equity Plan)
 - Literacy Goal: Students will be shifting to comprehension due to the testing results from the previous years,
 - Mathematics: Select and sequence tools/models to solve problems (application) are proving to be the largest need. Students have the knowledge, but multi-layered mathematical problems are harder to complete.

- SISP (Safe & Inclusive Schools Plan)
 - The students felt that the student-to-teacher relationships were incredibly positive, but the student-to-student relationships were not viewed positively. They're bringing back an after-school fitness club as well as the grade 7/8 leadership team to improve student relationships.
 - Still working on building a capacity on the staff and the student body to be supportive of the growth of student-to-student relationships.
 - Leadership team has begun.
 - Volunteering at Stoneybrook now requires that you have to an updated VSC provided to the school 6 months before the first volunteer experience, then that VSC will be able to be used for the next 5 years. If you have a VSC in process, you can provide the proof of order/payment for that VSC, then you can sign an Offence Declaration that will allow you volunteer in the interim. K. Thomas inquired if something can be sent to the parents to provide some clarity, which K. Gordon says he plans to handle and we offered to also share that out on social as well.

- Fall Reorganization:
 - There is likely going to be an re-organization of the students every school year, not just this year.
 - The week after March break is typically when staffing numbers are allocated to the school based on projected enrollment
 - They look at numbers up until the first Friday before the school year and see who is truly going to be in attendance so that they can start finalizing class lists.
 - This year, we had started with an SK/1 split that has since been turned into another JK/SK class and take students from the other JK/SK classes to reduce their size. This caused a trickle-up effect as the other students from the older grades were shifted.
 - One of the parents brought up the JK/SK situation, inquiring why the classes can't be divided further instead of remaining at 28/29/15. K.

Stoneybrook P.S. School Council

Meeting Agenda

Gordon informed that they will not be making further changes due to 15 being the max before an ECE is required.

- K. Thomas inquired about the benefits of split classes. K. Gordon said that progression of learning is easier to view this route, as well it benefits the general bedrock of mathematics and literacy. Some staff have reported that split classes have been beneficial, though it tends to be more work for the staff to prepare coursework in select subject areas. K. Gordon said that the numbers were the main reasoning for the split approach. .
- TVDSB recently updated the school websites and they're still trying to figure out how to upload documents to the site for Council.
- Current & Upcoming School Events:
 - Book Fair is currently on this week! It will also be available during the Sharks Meet the Teacher.
 - National Day of Truth and Reconciliation is Wed, Sept 30th.
 - Permission forms will be going home with students for this Thursday, Oct 1st, for the Track & Meet.
 - Meet the Families/Staff will be this Thursday, Oct 1st from 4:30-6:30pm. Some classes will not be able to be open at the exact times, and those teachers will be communicating to the parents accordingly, as needed. Even if the teachers are not present, their class will be open for students to take the students through it.
 - School photos will be on Oct 15th and there will be more info coming home soon with the students.
 - PA Day will be Oct 26th and it will also be the Municipal Election, where the school will be used as polling station.
- TVPIC Representative – K. Thomas
 - She's going to be attending the meetings regularly and plans to bring back any info for us to discuss.
 - Will be bringing forth issues from the schools to the main board.

7. **Staff Report** (5min) – Shea

8. **Treasurer's Report** – N/A

9. **Report from Home & School Council Representative** (5 min)

Stoneybrook P.S. School Council
