Appendix 'A' – Drawing Requirements

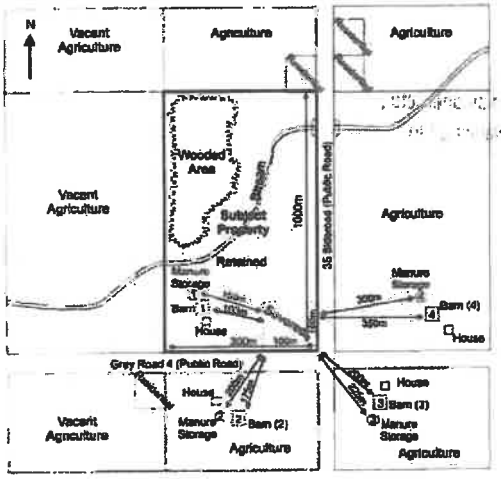

Two Drawings in metric units must be included showing the following (see examples):

- North arrow;
- the boundaries and dimensions of any land abutting the subject land that is owned by the owner of the subject land;
- the boundaries and dimensions of the subject land, the part that is intended to be severed and the part that is intended to be retained;
- the location of all land previously severed from the parcel originally acquired by the current owner of the subject land;
- the approximate location of all natural and artificial features (e.g., for example, buildings, railways, roads, watercourses, drainage ditches, banks of rivers or streams, wetlands, wooded areas, wells and septic tanks) that,
  - are located on the subject land and on land that is adjacent to it, and
  - in the applicant's opinion, may affect the application;
- the current uses of land that is adjacent to the subject land (for example, residential, agricultural or commercial);
- the location, width and name of any roads within or abutting the subject land, indicating whether it is an unopened road allowance, a public travelled road, a private road or a right of way; and
- the location and nature of any easement affecting the subject land.

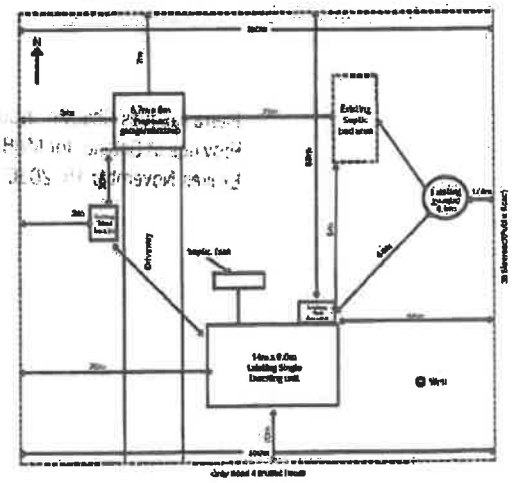

Notes:
For consent applications proposing to create a new lot, lot addition or easement a draft reference plan and/or Surveyor's Real Property Report prepared by an Ontario Land Surveyor may be required to be submitted with the application to confirm the proposed boundaries/dimensions.

All new lot/lot additions/lot line adjustment/easement/right-of-way applications will require an Ontario Land Surveyor to prepare a Reference Plan as a condition of approval by the Municipality.
